

UC Davis Net Impact Undergraduate

Net Impact empowers a new generation to drive social and environmental change throughout their careers. Our volunteer-led chapter drives change by creating a like-minded community and providing events and programs that support members who aim to use business as a force for environmental and social impact.

Congratulations on your participation at the 2017 Pitch Panel

Awarded on April 27, 2017

A handwritten signature in blue ink, appearing to read "K. T. ...".

Associate Director, Innovation Institute for Food & Health
